Section 2-1. Billing and Collection Procedures for Residential Accounts

(a) All bills for water and sewer service shall be mailed to residential customers on the last business day of each month (the "Billing Date"). Payment on all residential accounts shall be due on the 14th day of the month following the Billing Date (the "Due Date").

(b) All bills for which payment has not been received by the City on or before the Due Date shall be assessed a late charge penalty of \$10.00 or 10% of the amount due, whichever is greater.

(c) On the 18th day of each month, the City will send a courtesy notice on each residential account that is past due. However, the City shall not be obligated to send a courtesy notice on a delinquent account and the failure of the City to send a courtesy notice or the failure of a customer to receive a courtesy notice shall not alter the City's right to disconnect service for nonpayment as provided herein.

(d) If payment on a residential account is not received by the City on or before midnight on the twenty-fourth (24) day of the month, then all water and sewer service shall be immediately scheduled to be disconnected and shall be disconnected if payment is not received before the service is disconnected.. When a customer's water and/or sewer service is scheduled to be disconnected for non-payment, an administrative fee of \$25.00 shall be charged to the customer's account each time the water and/or sewer service is scheduled to be disconnected for non-payment. The administrative fee shall be charged regardless whether service is disconnected.

(e) If service is disconnected for nonpayment then service shall be re-connected on the same business day that the payment is received in full by the City, provided payment is received by the City no later than 3:00 p.m. If payment is received by the City after 3:00 p.m. then service will be reconnected on the next business day.

(f) Meter Tampering: Water Meter Tampering includes, but no limited to, reconnecting meter (turning on), removing/cutting locks, and removing tags, Attempting to use water supplied by City of Lindale without that water being measured and tracked through your meter is also considered tampering. Tampering is subject to criminal charges Class B Misdemeanor. The city will prosecute to the full extent of the law under Texas Penal

Code Sec. 28.03 & Sec. 31.01 and may be subject to criminal prosecution. Tampering is punishable by both fines and prosecution. When a customer's meter has been tampered with, a \$25.00 tampering fee shall be charged to the customer's account, a \$25.00 lock cut fee may also be charged. If a lock is cut the meter will be pulled and a \$100.00 fee will be charged to the customer's account. The customer will be charged for the cost of meter if the meter is damaged during tampering. The customer will be required to add an additional \$200.00 water deposit to any account that has had tampering fee assessed on it and all future accounts with the city.

Section 2-2. Billing procedures for Commercial Accounts

All bills for water and sewer services shall be sent to commercial customers on the last business day of each month (the "Billing Date"). Payment on all commercial accounts shall be due on the 24th day of each month after the Billing Date (the "due Date"). All bills for which payment is received by the City after the Due Date shall be assessed a late charge penalty of \$10.00 or 10% of the amount due, whichever is greater.

Section 2-3. Returned Payments and Charges

- (a) Any payment that is subsequently returned does not constitute a payment.
- (b) A \$25.00 fee shall be charged to a customer's account for each returned check or returned bank draft. Customers with returned checks or bank draft will no longer be able to pay their bill with check or draft for one year from date of last returned check.
